Any information's these third parties collect via cookies and web beacons is not linked to any personal information we collect.

How does Nickwan and angel use my personal Information?

Internal Use: We use your personal information to process your order and provide you with customer services.

Third Party Service Providers:

Like most online retailers, we sometimes use third party service providers to perform specific functions on our behalf. Any information disclosed to them is solely to help in their provision of services. For example, we may provide your name, shipping address, email address and phone number to partners such as DHL, FedEx, and UPS in order to guarantee delivery of your orders, and we may use relevant customer information in order to monitor the quality of the third party's services, similarly, we must provide your credit card number to financial services organization such as credit card processors and issuers in order to process the payments. We protect all submissions of your credit card number for authorization with data encryption technology.

Legal requirement to Disclose information:

We may be required to disclose information if subpoenaed, served with a court order or requested by law - enforcement officials conducting investigations. Or if we are otherwise required by law to disclose such information. we will also release personal information when necessary to protect our legal rights or enforce our terms of use and other agreements. For example, we may share information to reduce the risk of fraud, or to prevent fraud by users who attempt fraud or other legal activity on our site.

Merger and/or sale of assets:

We do not sell, trade or rent personal information we collect from you to other companies in the course of our business. However, it is possible that we might acquire or merge with or be acquired by other company, or that we might dispose of some of our assets, in which case your personal information could be disclosed to another company, subject to the Privacy
